## Rules for Clay Shoots

In the course of **SAFETY** and **GOOD HUNTING** the following **RULES** are to be **STRICTLY ADHEARED TO**.

**ALL SHOOTERS MUST REGISTER ON THE DAY**

ALL SHOOTERS must have a current Firearm's License

Point firearm in safe direction

Treat firearm as loaded

No Alcohol

**PLAY IT SAFE**

## Accident & Emergency Response Procedure

### **THINK FIRST!**

- 1) Secure your own safety first. Halt the rest of the party.
- 2) Move the causality **ONLY** if in immediate danger.
- 3) Administer first aid , Airway, Breathing, Circulation. Control and treat associated problems i.e. severe bleeding.
- 4) Assess severity of injury and plan evacuation
- 5) EMERGENCY PHONE 111, Ask for ambulance or arrange for helicopter to land nearby, if life threatening.
- 6) While awaiting evacuation, provide comfort and care.
- 7) Record condition regularly;
  - ✓ Pulse rate
  - ✓ Breathing
  - ✓ Treat for shock
- 8) Consider rest of the party. Are the others injured or in shock.
- 9) Emergency assembly area: *Safest Place*
- 10) Note history of accident and record findings etc. in the note book in the First Aid Kit.

*Enjoy your day*
